REPAIRING THE MANCHURIAN RAILWAY, UNDER DIRECTION OF MR. GOISHMAN, CHIEF OF SOUTHERN SECTION. Coolies do most of the work, of course, as they did in the construction, but require intelligent direction by white men, for the Czar's hope of success in a war with Japan depends largely in keeping the line open and in constant use.

Corn Influenced Mainly by Sympathy - Oats Follow Other Grains-Provisions Steady.

Chicago, Jan. 28.-Severely cold weather throughout the West and Southwest, with rain in Argentina, strengthened wheat prices to-day. A gain in the price of cash wheat in the Northwest also contributed to the advance. The close was firm, May being up 1472sc. May corn closed 1472sc higher, but cats were precisely where they left off yesterday. Provisions were unchanged to 5c lower.

ances of wheat and flour were equal to 55,933 hu. Primary receipts were 485,200 hu., against 557,500 hu. a year ago. Minneapolis, Duluth and Chicago reported receipts of 360 cars, against 356 cars last week and 411 cars a year ago. CORN.

The corn market was influenced mainly by the action of wheat. There was early selling by local bears, due to the easier selling by local bears, due to the easier tone in wheat, but when prices in the wheat pit advanced a moderate commission-house demand developed, resulting in a firmer feeling. The shipping demand was fairly good but the cash business was slow with prices \$\frac{1}{2}\$c lower. The close in speculative trading was firm, with May at \$\frac{1}{2}\$sc. The opening was a shade lower to a shade higher at \$\frac{1}{2}\$sc to \$\frac{1}{2}\$sc, and prices ranged between \$\frac{1}{2}\$sc to \$\frac{1}{2}\$sc, and receipts were 18t cars, one of contract grade.

Oats followed other grains, fluctuating within a narrow range and closing about unchanged from vesterday. Commission houses were buyers in a small way and the selling was scattered. May opened unchanged to be lower at 42 to 42 sc, sold between 414,67 sc and 42 sc, closing at 42 sc. Local receipts were 87 cars.

Liquidation of fard by the leading bull interests was in force in the provisions pit early in the day and the whole list pit early in the day and the whole list weakened in consequence. Later, however, the market resovered most of the loss on a scattered commission-house demand, brought out to a considerable extent by the firmness in grain prices. The close was steady with May pork unchanged at \$15.2524, May lard was down 5c, at \$1.425, Ribs were off 25c at \$6.75678.725, Estimated receipts for to-morrow; Wheat 5c cars; corn, 225; oats, 75; hogs, \$3.000 head.
